

Fire Hose

PVC Polieste Rubber

PVC Fire Hose

Withstand high pressure , resistance to use ,does not leak

Model	Working Pres	Weight(Kg/20m)	Burst Pres	Standard Length
D50-8bar-20m	8bar	2.5	16bar	20m,30m
D50-10bar-20m	10bar	3.0	20bar	20m,30m
D65-8bar-20m	8bar	3.0	16bar	20m,30m
D65-10bar-20m	10bar	3.5	20bar	20m,30m

Polieste Fire Hose. Using Japanese technology ,made in China.:

Hose By using Poieste which has superior adherence and uniformed liner. Possibie to use in hot and cold area because of excellent heat and cold resistant product. It is designed very safely withstanding higher pressure and even at the burst pressure, use it comfortably

Model	Working Pres	Weight(Kg/20m)	Burst Pres	Standard Length
D50-16bar-20m	16bar	4.5	30bar	20m,30m
D65-16bar-20m	16bar	5.8	30bar	20m,30m

Rubber Fire Hose

higher inner ozon-resistance in the Model can keep for a long time
Weight(Kg/20m)Hose

Model	Working Pres	The life of synthetic rubber which has	Burst Pres	Standard Length
			16bar	20m,30m
			20bar	20m,30m
